THE CITY SCHOOLS.

George Davidson's name was omitted from the list of 1916 graduates in A. and M. College. George is a good one and will do well in his course.

Superintendent J. W. Clark of Georgetown, Texas, made the round of the East Side school recently. We are always glad to have such men visit the schools.

Bryan High School graduated nearly as many pupils the last commencement as did the Ball High School in Galveston. Ours stick to it better than the Galveston pupils do.

Dr. Cubberly calls it educational in breeding when a heavy per cent of the teachers in a school system are educated at any one place. Dr. Cubberly is a national authority on school matters.

With full courses both in domestic art and in domestic science, Bryan schools are doing their part in preparation for scientific home-making in the future.

State Superintendent Doughty says that when Joint Resolution No. 30 passes, communities needing more money for school purposes can vote it.

Promptness in all relations in life is a good thing, and that includes getting to school on time. Tardiness is

bad for the individual and bad in its effects on the schools.

When you say a teacher has good order you say a lot about that teacher. Habits of order and neatness count for much in the training of children.

If they want to do so. When Joint Resolution No. 30 passes, Bryan can have a new High School building any time Bryan wants it.

How well do pupils stay in school in Bryan, as compared with other cities? Well, what percentage of the pupils are in the high school in Bryan as compared with other cities? Read the following figures taken from the latest statistics: Berkeley, Cal., 23.2 per cent; Newton, Mass., 21; San Jose, Cal., 20; Pasadena, Cal., 19.1; Waltham, Mass., 17.9; San Diego, Cal., 16.3; Seattle, Wash., 16.1; Spokane, Wash., 15.1; Cambridge, Mass., 14.6; Des Moines, Iowa, 14.5; Sacramento, Cal., 14.3; Los Angeles, Cal., 14.2; Omaha, Neb., 13.4; Denver, Colo., 13.3; Tacoma, Wash., 13.2; Springfield, Mass., 13.1; Portland, Ore., 12.4; Oakland, Cal., 12; Duluth, Minn., 11.6; Butte, Mont., 10.9; Ogden, Utah, 10.8; Yonkers, N. Y., 8.5; Salt Lake City, Utah, 8.2; Fall River, Mass., 6.9; San Francisco, Cal., 6.1; BRYAN, TEXAS, 21.6. Compared with a list of twenty-five cities, Bryan beats twenty-four of them in its hold on the pupils, as shown above. W. C. LAWSON, Superintendent.

LOCAL AND PERSONAL

M. B. Easters of Kurten was transacting business today in the city and was a pleasant caller at the Eagle of fice. Mr. Easters displayed his good judgment and moved the date on his Daily Eagle up 12 months and saved \$2.00.

Sam Parker, who is in Marlin this afternoon with the high school football team, will go to Dallas today and remain over Sunday to attend the fair. H. T. Lawler, Jr., returned this afternoon from New Orleans and Beaumont, where he had been on business.

Wade Cox of Brenham visited his parents, Mr. and Mrs. J. J. Cox, in his city yesterday and today.

City Secretary R. T. Smith went to Dallas last night to attend the fair and will remain over tomorrow to see the A. and M. Haskell football game. DeWitt Graham is in Dallas today seeing the fair. He will remain over tomorrow for the football game.

L. D. Webster of the Texas Review at Austin, was called to his home in this city last night by the serious illness of his wife.

Mrs. Charles Harr and children of Childress are guests of Mrs. M. P. Walker.

INCREASE IN BONDS.

Total of \$22,575,427 Registered During the Past Fiscal Year.

Austin, Texas, Oct. 27.—During the fiscal year ending August 31, 1916, there were registered in the comptroller's department \$22,575,427 in bonds, according to figures compiled by this department, which is an increase of \$7,628,249 over the previous year, or approximately an increase of 35 per cent.

Of the bonds registered, \$6,152,000 were road bonds; \$1,951,721 levee district bonds; \$9,420,000 city bonds; \$1,993,200 independent school district bonds; \$2,263,844 county bonds and \$1,176,315 common school district bonds.

BRITISH COAL SITUATION.

German Prisoners Assist in Mining Operations.

London, Oct. 27.—The coal mining organization committee reports that the estimated output of the mines in the United Kingdom for the year ending July, 1916, amounted to 254,748,000 tons, against 250,368,000 in 1915 and 251,135,000 in 1914. Some 282,000 miners have joined the colors since the outbreak of the war and 116,900 replaced, leaving a net reduction of 165,300. There has been much difficulty in maintaining the supply of imported pitwood props and of efforts to provide a substitute of British grown timber. The war office has agreed to allocate one thousand German prisoners in gangs of one hundred each to the felling and cutting of timber, and already 385 are at work in approved camps. The export of coal has been reduced to the dangerously low figure of 43 million tons in 1915 from 73 million tons in 1913.

FROM OTHER VIEWPOINTS.

STATE GOVERNMENT

SPENT \$18,157,789

During the Past Fiscal Year the Expenses Increased \$749,335—New Buildings Erected.

Austin, Texas, Oct. 27.—Expenditures of the state government for the fiscal year ending August 31, 1916, amounted to \$18,157,789 out of state funds, as disclosed Thursday by figures compiled for the annual report of the comptroller, which sum is an increase of \$749,335 over the previous year. Out of the general revenue fund a total of \$7,109,691 was expended out of a total of \$8,795,000 appropriated by the last legislature, leaving a balance which automatically reverted to the state treasury. This increase in expenditures is due largely to construction of additional buildings and improvements in many of the state institutions.

EVER SALVATED BY CALOMEL? HORRIBLE!

Calomel is Quicksilver and Acts Like Dynamite on Your Liver.

Calomel loses you a day! You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

When you feel bilious, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel just remember that your druggist sells for 50c a large bottle of Dodson's Liver Tone, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and cannot salivate.

Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tone straightens you right up and you feel great. Give it to the children because it is perfectly harmless and doesn't scribe.

Socrates
Was Right!

This wise old man of science when treating on the daily diet, and speaking of an Ideal Race, athletically built and wholesome mentally, said:

"They will feed on barley and wheat, baking the wheat and kneading the flour, making noble puddings and loaves; * * * thus shall they be great of limb."

TODAY

Grape-Nuts

is more and more becoming the favorite food of sturdy Americans.

Made of whole wheat and malted barley this famous food supplies all the nourishment of the grains including their vital mineral salts—lacking in many foods—but all-important for keen mental activity and sturdy physical strength.
